Hi Brent,

The Senator's August travel schedule has limited her time in Las Vegas and I regret to inform you that she is not scheduled to be in Las Vegas on August 8th.

If there is any flexibility to consider alternative dates, we'd like to propose August 21st or August 22nd.

Electra –

I wanted to check to see if an in-State meeting with Senator Cortez Masto and EPA Regional Administrator Mike Stoker would be possible on **Thursday, August 8, 2019** in your Las Vegas Office located at 333 Las Vegas Blvd., Suite 8016 might work when the Senator is back in Nevada during the August recess. If August 8th would work, Mike would be available at any time on that date so feel free to propose a time that would work. I look forward to hearing back from you when you have the opportunity.

Anaisy –

I just heard back from our Chief of Staff Charles Munoz and have learned that the Regional Administrator has a conflict at your offered time of 11:30am ET which **will not** work on our end. I wanted to let you know that Regional Administrator Mike Stoker will be in Nevada in August and I can reach out to schedule something with the Senator's State Scheduler Electra Skrzydlewski in advance of his travel to Nevada. I do appreciate all of your efforts to schedule and sorry we were not able to make it work this time. Thanks again and hope you have a great week.

Anaisy –

Thank you for your patience in hearing back from me and for the potential times you offered on Tuesday, July 9th and Wednesday, July 10th. Our Regional Administrator Mike Stoker is not able to meet at the times offered on Wednesday, July 10. The other issue we have is he has two confirmed meetings on Tuesday, July 9th at 2:45pm with Sen. Jacky Rosen in the Russell Building followed by a meeting with Rep. Scott Peters in the Rayburn Office Building at 3:30pm. Your offered times on Tuesday, July 9th of 3:00pm or 3:30pm don't appear

to work well with the current schedule. **Unless there is any time available prior to his meeting on Tuesday, July 9th at 2:45pm, we may need to look at a future opportunity when the Regional Administrator travels back again to DC.** Please let me know if there is any chance of a meeting possibility earlier than 2:45pm on Tuesday, July 9th. Thanks and I look forward to hearing back from you. Have a great 4th of July holiday.

Tuesday, July 9, 2019 – Sen. Jacky Rosen (D-NV): Brent Maier has confirmed a meeting with Senator Jacky Rosen and RA Mike Stoker for Tuesday, July 9, at 2:45pm in 144 Russell Senate Office Building. Accompanying the RA will be Chief of Staff Charles Munoz. (NV – ORA)

Tuesday, July 9, 2019 - Rep. Scott Peters (D-CA-52): Brent Maier has confirmed a meeting with RA Mike Stoker and Congressman Peters for 3:30pm on Tuesday, July 9, in 2338 Rayburn Office Building. Chief of Staff Charles Munoz will be accompanying the RA to this meeting. (S. CA – ORA)

Viviana –

Thank you for your message and offer to schedule a meeting with U.S. EPA Regional Administrator Mike Stoker and Senator Cortez Masto. Unfortunately, we have confirmed a meeting with Rep. Mark Amodei on Tuesday, July 9th at 4:30pm and a meeting with Rep. Steven Horsford at 5:30pm. I don't think there would be enough time to get from the Rep. Amodei meeting on the House side to your office for a meeting and then back to House side for a meeting with Rep. Horsford. **I wanted to check to see if there might be any earlier times available on Tuesday, July 9th or as an alternative, Mike Stoker would also be available to meet the following morning on Wednesday, July 10th anytime between 8:00am – 12:00noon.** I look forward to hearing back from you and appreciate your assistance in trying to schedule this meeting.

Anaisy/Viviana –

I have been asked to reach out to your office to request an in-person meeting with U.S. EPA Regional Administrator Mike Stoker and Senator Catherine Cortez Masto for **some time on Tuesday, July 9, 2019**. Regional Administrator Mike Stoker will be in Washington, DC the week of July 8th for some meetings at EPA HQ and is interested in introducing himself to Senator Cortez Masto and to discuss with her his priorities and provide her with updates on environmental issues EPA is engaged in Nevada. The meeting would take place at the Senator's Hart Senate Office Building, SH-516. Mike Stoker's calendar is wide-open on Tuesday, July 9th as of this time.

Please let me know whether an in-person meeting with Senator Cortez Masto would be possible on Tuesday, July 9th. I look forward to hearing back from you and please let me know if you have any questions or need any additional information.
